

JEWISH HISTORY = JEWISH INDIGENEITY

When is a coin more than just a coin?

This is the oldest Jewish coin dating back to the 5th and 4th Century BCE when the Jewish areas Judea, Samaria, and Jerusalem and Philistina were ruled by the ancient Persians.

Back then there were no Arabs in Israel, Islam wasn't invented yet, and the Philistines were an enemy tribe that no longer exists.

Stand up for Israel and the indigenous Jewish people.
